27. Wystawca ponosi odpowiedzialność za poszkodowanie koni w wyniku choroby, wypadku lub z innych przyczyn, od momentu przyjazdu na miejsce aukcji i podczas całego pobytu na miejscu, chyba, że dany koń zostanie sprzedany, w wyniku czego ryzyko związane z końmi przechodzi na nabywcę wraz z uderzeniem młotka lub w momencie sprzedaży, jeżeli następuje sprzedaż niepubliczna.
28. Polturf Barbara Mazur nie ponosi odpowiedzialności za żadnego konia ani za żadne szkody wyrządzone koniom i za żadne kontuzje, jakie odniosą podczas stacjonowania na terenie aukcji.

Polturf Barbara Mazur nie będzie ponosić żadnej odpowiedzialności w związku z dokonaniem oględzin, wycofaniem lub odizolowaniem danego konia.

 A well-designed showy young mare possessing a pedigree teeming with international champions, PASCALLA promises to be a valuable addition to the aspiring breeding program. First and foremost, PASCALLA is undeniably a daughter of Living Legend EKSTERN, the undefeated World Champion, European Triple Crown Winner, & Mercedes Cup 'Champion of Champions'. Universally acclaimed as one of the greatest show horses of all time, EKSTERN has more importantly earned a stellar reputation as an international sire of significance, consistently transmitting his exceptional phenotypic attributes – exotic Arabian type, a beautifully sculpted face, a strong well coupled body, a breed standard topline, enthusiastic tail carriage, a show stopping trot and an effusive zest for life – to his accomplished descendants with consistency and affluence. Not only are type, trot and tail carriage the gifts of EKSTERN through his MONOGRAMM & "E" Family heritage, they are also the rewards of PASCALLA's maternal grandsire PIAFF, twice Polish National Champion, and his incomparable ancestors: European Champions ELDON & PENITENT, Polish breeding legend PIPI, and the unparalleled World Champion PILARKA. Tail-female, PASCALLA traces directly to World Reserve Champion PASSA, one of the most beautiful, superbly constructed and boldest moving daughters of the legendary EUKALIPTUS. With multiple crosses to Poland's most venerated "E" (to ESTOKADA) & "P" (to PIEWICA) dam families as well as to the breed's most accomplished sires, PASCALLA offers unlimited breeding opportunity in one complete package.

 A special treat – an internationally successful young show mare with a regal heritage of breed elite, ZŁOTA ODESSA represents the rare opportunity for the visionary breeder and show home to start at the top. Her sire, EDEN C, is one of the most internationally accomplished stallions of the new millennium, having been named US National Champion, World Cup Supreme Champion, All Nations Cup Gold Champion, PSIAHF Gold Champion & World Silver Champion Stallion. Tall, imposing, powerfully moving and charismatic, EDEN C passes all of these exceptional attributes onto his get with great consistency, including his distinctive type and elegant, upright forehand. His intense line-bred BEY SHAH pedigree, combined with the double PADRON and important link to Spanish breed pillar AN MALIK, have helped to make EDEN C one of the most important progenitors of the PADRONS PSYCHE sire line in the world. Maternally, ZŁOTA ODESSA is blessed with a golden heritage of meritorious matrons, including European Champions EMIGRANTKA & ARRA, All Nations Cup Champion ZAZULA and the invaluable aristocrats EMIGRACJA, PERFORACJA, ESKAPADA, PARMA, EUNICE, PENTODA, BANDOLA, ESTOKADA, ARFA & MONOGRAMMA. A proud member of Michałów's venerated "Z" of golden champions, ZŁOTA ODESSA bears a striking resemblance, with alluring feminine charm, her long elegantly shaped neck, well balanced harmonious build and strong level topline, to her universally adored great-granddam ZAGROBLA, World & US National Champion, and unquestionably one of the most captivating and inspiring athletic daughters of the paradigm-shifting sire MONOGRAMM.

 A powerfully moving, substantial and well constructed young mare in her prime, LAYZA OF MARWAN is a sterling example of the wisdom of crossing the blood of GAZAL AL SHAQAB with the daughters of MONOGRAMM. As her name implies, LAYZA is a prized daughter of thrice World Champion and unrivalled Living Legend MARWAN AL SHAQAB, a sire whose sons are rewriting the history books as show horses and sires with each succeeding generation of excellence, and whose daughters continue to raise the standard of beauty & feminine elegance throughout the world, while simultaneously producing foals of extraordinary quality and potential. While LAYZA is blessed with a compact harmonious build and strong level topline, both of which are universally esteemed as MARWAN hallmarks, she bears, in nearly every respect, a striking resemblance to her multi-champion dam LIZA MONELLI, a US-bred daughter of the incomparable Living Legend MONOGRAMM. With explosively purposeful, long strided athleticism, a strongly coupled, broody design and a confident, commanding presence, LAYZA is very reminiscent of MONOGRAMM in her overall appeal, with the added advantage of sires of significance EL SHAKLAN, SHAREM EL SHEIKH, PADRON, GAMARR, GARIS & IVANHOE TSULTAN through her granddam WC AMARIGE. Given the extraordinary success of the female descendants of GAZAL AL SHAQAB, MARWAN AL SHAQAB & MONOGRAMM, and the fact that she is in foal to World Champion EXCALIBUR E.A., one can expect LAYZA OF MARWAN to be an invaluable asset for any breeding program seeking the definitive edge.

An attractive young mare from the Arabian Stars program of Massimiliano Rocchino, HABIBI STAR represents an internationally appealing heritage of industry icons. As a daughter of World Cup Supreme, UKIAHS Gold & All Nations Cup Silver Champion STIVAL, HABIBI STAR shares a paternal heritage with some of the most successful show horses and influential breeding horses of the modern era, including US National Champion TRUSSARDI, twice US National & World Cup Supreme Champion BARZAN AL SHAHANIA, and British National Gold Champion STIVALLERY BJ. Through STIVAL, HABIBI STAR is blessed with two influential links, through World Champion GAZAL AL SHAQAB & twice US National Champion ALI JAMAAL, to Straight-Egyptian breed pillar RUMINAJA ALI, unquestionably one of the most important sires worldwide. Even more impressively, HABIBI STAR possesses an additional three crosses to the RUMINAJA ALI through her predominantly Straight Egyptian dam AIDHA STAR. A double granddaughter, through both sire and dam, to World Champion & respected sire BJ THEE MUSTAFA, AIDHA STAR traces directly to the RUMINAJA ALI daughter ALI SAMEERAAH, whose appeal is further enhanced by male ancestors KAISOON & multi-champion show stopper MASHOUR, as well as Egyptian Agricultural Organization-bred tail female ancestress SALHA. Given the significant influence of her aristocratic Straight Egyptian ancestors, in combination with the high-profile Spanish, Polish, Russian & American heritage of STIVAL, one can expect HABIBI STAR to be a source of world-class genetics and promising breeding potential.

A young broodmare with an incredibly interesting and rare pedigree (ESPARTO & SANADIK EL SHAKLAN) and the daughter of Galilee Show (C Nat.) Senior Gold Champion Mare GIOCONDA, GODAIVA is a perfect fit for any breeding program focused on showing. She is sired by the ESPARTO, who had been dubbed the successor to EKSTERN as his best son. Having proved his dominance on the show arena in Poland, Europe and the Middle East claiming multi champion titles, ESPARTO returned home and fathered a slew of champions, including the finest horse in Białka's history – PER-FINKA, the All Nations Cup Junior Champion, European Junior Silver Champion, World Junior Silver Champion, PSAIAHF Junior Champion & Qatar International Arabian Horse Show Junior Silver Champion Mare. Unfortunately ESPARTO untimely passed away, making his daughters now even more valuable than before. Tail female GODAIVA belongs to the versatile G-line of GASTRONOMIA, through the spectacular GIZELA. A representative of the "bold and beautiful" concept of the Polish Arabian with racing victories and a Salon du Cheval class win to her name, GIZELA remains the dam of six notable daughters, who definitely contributed to putting Michałów on the Arabian map: GARONNA (dam of chief sire GANGES), multi stakes winner GENEZA Polish National Champion GASKONIA (dam of champion sires GASKOŃCZYK, GASPARGRAF), World & Polish National Senior Silver Champion GEORGIA (dam of South African super star GEORGETOWN, as well as World & Polish National Champion GALILEA, the latter in turn dam of 2014 Junior Spring Show Yearling Champion GALERIDA), GWARANCJA (dam of Derby winner GWARD) and GIZA (dam of Race Horse of the Year GEPARD and direct female ancestress to GODAIVA).

 All daughters of EKSTERN are highly sought after broodmares and E-SAWANNA is your opportunity to acquire one for your breeding program. An undefeated show champion and European Triple Crown winner, EKSTERN wowed the public and judges alike with his invincible charisma, later wowing breeders with his get in the breeding barn. He is still wowing Arabian enthusiasts today, but this time through the produce of his daughters. Only recently dams sired by EKSTERN foaled such heavy hitters as MORION, PUSTYNIA KAHILA, EQUATOR & WIEŻA MOCY (among many others). This season Michałów Stud limited the number of outside breedings to this superb stallion, making his female get increase in worth even more. E-SAWANNA's dam ESIKA benefits from both of Poland's leading E damlines through their two WAHO Trophy recipients: EMIGRACJA from Michałów and ETRURIA from Janów Podlaski. EMIGRACJA brought fame to the E damline through her champion EUKALIPTUS daughters, among them twice Polish National, European, World Reserve & All Nations Cup Champion Mare EMANACJA. Her descendants (and E-SAWANNA's close kin) include such champion names as EKSTERNA, EMLAHABA, EMARC, ETERNIS, as well as the further EMANOR, EMANDA, EMANDORIA, EMILDA, EMBRA, EMMONA, EMPIRE and EL SAGHIRA. The link to World, Polish National & European Reserve Champion Mare ETRURIA comes through E-SAWANNA's maternal sire, Polish National Champion Stallion ESCULAP. ETRURIA is known for her male descendants, as other champion chief sires stemming from her line include ETOGRAM, ECAHO, EKSPORT & ESPADERO.

 The charming chestnut TIFFANJ uniquely blends the Italian-bred influence of WH JUSTICE with a celebrated Russian/Crabbet dam line, as well as a dash of quality Straight Egyptian and the show ring appeal of ESSTEEM. A tail-female descendant of the globally influential Crabbet dam line of SELMA, TIFFANJ is most impressively the eighth generation to be named with a "T", an honour bestowed to the successive generations of the TAKTIKA family. An invaluable broodmatron of exceptional structure and uncommon athletic ability, the Tersk-bred TAKTIKA can be found in the pedigrees of many of the breed's most successful show horses and breeding horses through two influential sons – PIETUSZOK & TOPOL, and four dominant daughters – PLATINA, POTENCJA, PTASHKA & TRAPEDIA. TIFFANJ's direct ancestress, TRAPEDIA, is best remembered as the dam of TAMERLAN, maternal grandsire to global supersire PADRONS PSYCHE. TIFFANJ's maternal grandsire is show sensation ESSTEEM, the first European Triple Crown winner, who adds the world-renowned genetics of FAME VF & EL SHAKLAN close-up in the pedigree. Type and elegance are the consistent gifts of WH JUSTICE, who influences TIFFANJ through one of his most look-alike sons AMIR ASHIRAF, as successful sire with quality get in both Europe & South America. One of his most exotic and appealing sons is multi-champion HASSAN ASHIRAF, chief sire at Nana Arabians and the sire of TIFFANJ, who represents the very successful combination of WH JUSTICE with daughters of important sire PADRONS GHIBLI, the same combination responsible for international icons PANAREA BY PALAWAN & AJMAN MONISCIONE.

 Polish breeders look far and wide for the best stallions and EL ESTRADA is a result of such an amazing search. She is sired by JUSTIFY, a AHBA Vegas Futurity Stallion, Sweepstakes Nominated Sire, MAHB Nominated Sire & Scottsdale Signature Nominated Sire. A close look at his pedigree reveals that his foundations for good looks are strong. JUSTIFY comes from a line of six generations of breed icon sires, whose names are known to every serious breed, beginning with MAGNUM PSYCHE, PADRON PSYCHE, PADRON, PATRON, ASWAN and up to NAZEER, Egypt's most influential and valuable breeding stallion of the past. JUSTIFY's dam S JUSTADREAM is perhaps the single most decorated Arabian mare in history as a ten time National Champion. Her dam ACQUAINTANCE is a result of the finest breeding program of the 20th century, Lasma Arabians, and a direct product of two of Poland's epoch-making sires utilized by the LaCroix family: EUKALIPTUS & BASK. If that wasn't enough EL ESTRADA descends from Michałow's E line of champions.  ENERINA is a young broodmare who is quite fond of traveling – she is a class top five finalist from shows in Sweden, Germany, Poland and a bronze medalist from Russia. She is sired by the invincible EKSTERN, who enjoys living legend status in Poland. Undeclared in the show ring, EKSTERN's daughters have proven themselves to be superior producers: suffice to say that such stars as MORION, WIEŻA MOCY, PUSTYNIA KAHILA & EQUATOR are all out of EKSTERN broodmares. EKSTERN get has always been very much valuable, but their worth has increased even more when Michałów Stud announced that it will only sell a limited number of five breedings to the extraordinary stallion in 2017. Tail female ENERINA descends from Michałów's E-dynasty of champions through their most decorated subline established by EMANACJA, ENERINA's great-granddam. This Polish National Junior Champion, European Junior Champion, World Junior Reserve Champion, Polish National Senior Reserve Champion, All Nations Cup Senior Champion, Polish National Senior Champion Mare has contributed to the breed with four generation of champion horses and superb breeding material: EMILDA, EMBRA, EMMONA, EMIRA, EL SAGHIRA, EMMONA, EKSTERN, EMANDA, EMANDORIA, ESPADRILLA, EMPIRYKA, EL LARINERA and chief sires EL OMARI, ERYKS, EMARC, EMANOR & EMPIRE. Elegance, refinement and aristocratic quality are all gifts of her iconic sire, as are VALENCIA's smooth harmonious build and clean upright forehand. All of the best MARWAN get possess the inspiring ability to effortlessly transform themselves into world class competitors in the show ring, reliably displaying an abundance of type and enthusiasm on the move and posing with incredible poise, balance and intense effort. The daughters of MARWAN AL SHAQAB are prized the world over as world-class producers, having blessed the breed with the likes of World Champion FADI AL SHAQAB, US National Champion TRUEST, Dubai Gold Champion KANZ AL BIDAYER & Scottsdale Champion GODDESS OF DA VINCI. VALENCIA's dam is a powerful daughter of another living legend, PADRON PSYCHE, a sire whose influence pervades breeding and show ring success in every corner of the globe. Strong, well-built and good moving, Australian National Champion PSYNECIA SPA descends from the universally respected program of Peter & Vivienne Hall's Fairview Arabians, through a daughter of AMIR EL SHAKLAN, one of the eldest and most prolific sons of the invaluable EL SHAKLAN, who still tops the all-time leading sire charts in terms of both show ring and breeding success in Australia.

An proven broodmare in the very prime of her life with a lovely show colt on the ground by the name of WARRIOR, WARMA is the obvious offer for the serious breeder. Sired by QR MARC, WARMA benefits from the superb genetic make-up of the Saklavi sire line through its currently most famous father-son duo: GAZAL AL SHAQAB–MARWAN AL SHAQAB. WARMA is a maternal sister to WASA, a Junior Spring Show Reserve Champion, an Arabia Polska Warsaw Championship Senior Bronze Champion and multiple class top five finalist, including at the European & World Championships. WASA went on to produce Prague Intercup Junior Bronze Champion Mare WABIA and Junior Spring Show Bronze Champion, Austrian International Junior Silver Champion & Arabia Polska Warsaw Championship Junior Gold Champion Mare WERSA. Both WARMA & WASA out of WARESA, a Junior Champion Mare (private breeding) from the International Show held at Falborek. The entire family traces to foundress JASKÓTKA II (via Stockholm Gold Medalist & Blommeröd International Reserve Show Champion WIORSTA), who gave root to several different lettered sub-branches in Polish breeding: "C" in Białka with CAMILIA, CELSJUSZ & CALATEON, "K" in Michałów with KWESTURA & KABSZTAD, "A" in Janów with ALERT, AXARA & ANDROMEDA and our "W" in the hands of private breeders.

An exceptional opportunity to purchase a proven champion-producing daughter of World Champion EKSTERN, LADY SERENADA represents the stellar combination of the world's most celebrated Arabian bloodlines. Not only is LADY SERENADA blessed with one cross to the legendary sire MONOGRAMM through EKSTERN, she traces directly tail female for second cross to perhaps his best American-bred daughter, MONOGRAMMED LADY, the invaluable foundation mare for Dirk de Jonckheere's DD Arabians in Belgium. With PADRON PSYCHE, and especially his celebrated son PSYTADEL, MONOGRAMMED LADY has produced a dynasty of champion show horses and influential breeding horses that continue to positively impact the breed, the likes of ASCOT DD, MONARCOS DD, LADY ADELINA DD, LADY NINA DD, PSYMPY RED DD, LADY AYMONA DD, RICARDO DD & RA EMPRESSA. As a premier daughter of living legend EKSTERN, LADY SERENADA adds his extraordinary type, enchanting charisma & animated athleticism to all her exemplary produce. Her first foal, LORD EL SHAWAN, has proven himself one of the best young stallions in the breed, winning several important titles in Europe & the Arabian Gulf. Selling in foal to RFI FARID, the most popular sire in Europe, and given the fact the daughters of EKSTERN continue to consistently produce foals of world-class caliber, LADY SERENADA is unquestionably one of the main attractions in the 2017 offer.

NASIRA is an exemplary daughter of Ariela Arabians' pride AL MARAAM, a royally bred son of World Champion Stallion IMPERIAL IMDAL & the exotic THE VISION HG, considered one of the top five influential broodmares in the Arabian breed of the 20th century. THE VISION HG is a dam of multi champion chief sires, such as AL LAHAB, AL MARAAM, AL AYAL AA, AL HADI-YAH AA, AL RAHEB AA and several daughters who have also given acclaimed champion produce. NASIRA, herself a class top five from Janów Podlaski, Białka and Prague, likewise has a son to be proud of – the junior NIL NA, A Yearling Bronze Champion Stallion from the Berlin Cup. NASIRA remains in good company of her siblings, with brother NADIN claiming the Korüng (a breeding license show organized by the German VZAP) Reserve Championship and sister NIEBIANKA, dam of Middle Eastern class top five finalists HANEEN AL MAHRAH & SAFEER AL MAHRAH. With that the siblings' dam NANA has become the leading producer out of the famed Kurozwęki broodmatron NEJTYCZANKA. One of the main pillars of the former State Stud, NEJTYCZANKA produced 14 foals, who beside NANA also include Polish National class top five, UK Ridden & Halter Champion NIMB, Polish National Endurance Champion NENUFAR and proven broodmares: NIWA (dam of twice European Arabian Show Jumping Champion NINIWA) and Polish National class top five NOSTALGIA (progenitor of Kuwaiti National Senior Gold Champion Mare NIMBA, in turn dam of NADER ZAMAN AL SHAJER, Kuwaiti National Senior Silver Champion Stallion).

It is a great feat to breed a champion, but when you are the breeder of that horse's dam, sire and dam of that sire – the achievement is that much greater and you know your breeding program is on the right track. The young colt GAJA RAMZES is already an Arabia Polska Warsaw Championship Yearling Gold Champion Stallion, with an entire career ahead of him. His dam, multiple class top five finalist GAJA NIKE, is the daughter of GRANADA, which took up the post of pillar broodmatron in the Chrcynno-Palace breeding program. A bold moving, charismatically commanding young stallion with a proven show and sire record, EUROGRANT OZ blends the best of the breed's bloodlines from around the world in one complete package. As a colourfully marked rich liver chestnut, EUROGRANT OZ is unmistakably a son of AJMAN MONISCIONE, a multi-international champion show horse as a colt, who has since proven himself one of the most successful and highly sought after sires in the world. As the most influential son of Champion Maker WH JUSTICE, AJMAN MONISCIONE is one of the most reliable sources of exotic type in the breed. AJMAN's strong Polish, Russian & Crabbet influenced pedigree through his dam have also made him a consistent source of balance, strength, substance and structure, all of which are readily apparent in the phenotype of EUROGRANT. Further beauty, aristocratic quality and noble presence are the gifts of the sires on the distaff side of his pedigree, especially EMIGRANT, MONOGRAMM, PROBAT, NABOR, EUKALIPTUS, PALAS & BANDOS. The powerful long-strided exhilarating trot, which has become the EUROGRANT OZ trademark, is evident throughout his maternal line. Some of the best moving horses in Polish breeding history contribute to this inherent gift, including European Champions EMIGRANTKA, ARRA & EMIGRANT, unrivalled breed pillar BASK, and his grandson the universally admired Living Legend MONOGRAMM. Tail female, EUROGRANT OZ is a proud member of Michałów's illustrious "E" family through foundation mare ELA, the source of abundant power and animation at the trot readily apparent in celebrated descendants EGZONERA, ESKALOPKA, ESKADRA & ELDON.
